MEMORANDUM FOR: Chief, Development Division, OSA

SUBJECT: Personnel Rescue Beacons

REFERENCE: Memorandum for the Record from [redacted] dated 7 May 1963; Subject: Personnel Rescue Beacons [redacted]

25X1

25X1

A review of cited reference indicates the SARAH beacon serves the OXCART Project requirements to the greatest degree. Accordingly, it is requested that the following action be taken to establish an operational capability:

a. Request procurement of six SARAH beacon transmitters for use by Detachment 1 pilots.

b. Request procurement/installation of SARAH beacon receivers for [redacted] C-130s and the H-43 aircraft.
